Works in Zurich's newest district.

The goal of achieving platinum certification according to DGNB by SGNI, the Swiss Society for Sustainable Real Estate Management, ensured a particularly sustainable approach in all project phases.

Impressions

Image notes

1

Work spaces at the pulse of the city.

The new office and commercial space is located right next to the central railway station, giving it the best possible access to public transport.

2

Stylish dominance of an urban district.

With the building on construction site D, we have completed work on the Europaallee project.
